"Life is simple, you make a decision and you don't look back"

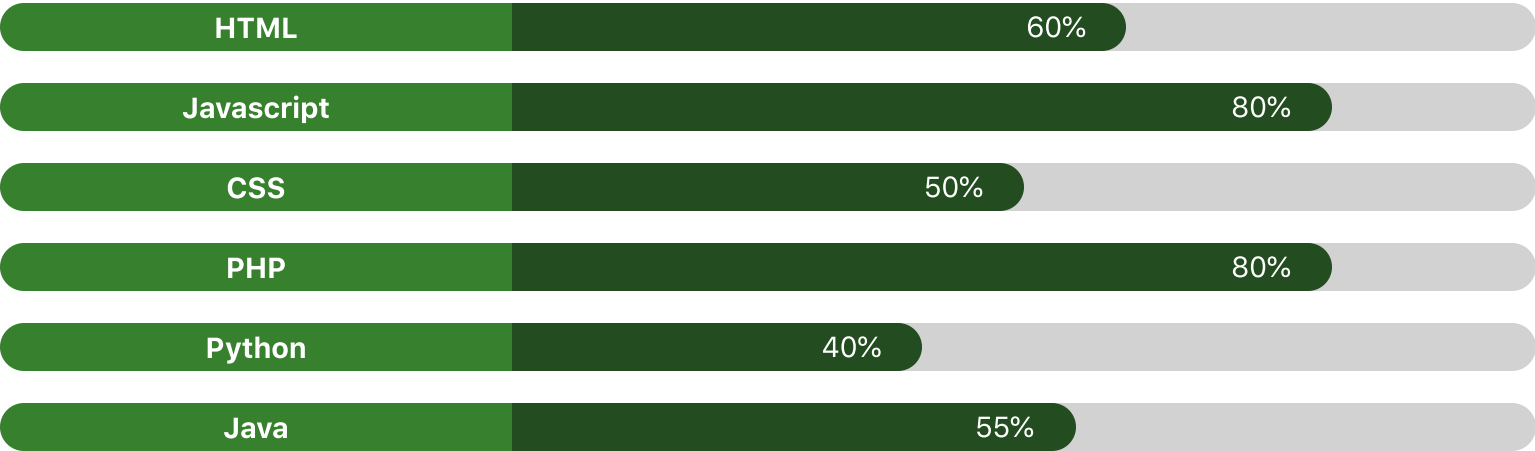

SKILLS

Personal

-Fast Learner
   My key to learning faster is to master the basics and understand the meaning

-Team Player
   A team should play as a team, not as individuals. Communicate, and understand one another.

-Passionate
   I always want to continue developing myself and learning new things because programming is my passion

-Friendly
   I forgive others easily and don't hold grudges
